***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 09/15/2010 has been entered.

**REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 9 and 15, the prior art of records do not show the limitations of a method for identifying the type of golf ball/golf club by assigning Eigen value to stored patterns, to received patterns of balls and clubs during a swings, using assigned Eigen values to identify club or ball through matching processing between receive pattern and stored pattern, and in combination with other limitations of the claims.

Other claims are allowed because they depend on the independent claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
